Zabrina Way - Content Creation (Article Writing)

Email: zabrinaway@gmail.com

<http://www.zabrinaway.com>

Specializes in writing high-quality articles with fast turnaround times; also writes reports, ebooks, and more.

Testimonial #1: The article was TOP NOTCH! This isn't your typical \$3 an article junk. The article was well written, free from grammatical and spelling errors, and had a very conversational tone. --KateD

Testimonial #2: I can honestly say this is one of the best articles anyone has ever written for me - perfect grammar, no spelling errors, well thought out and most important of all, it's actually very interesting to read! --NK

You're interested in hiring a quality article writer. You've been around the block a time or two, and you know that high-quality content truly is worth every penny. You know the drill already, so I won't waste your time. *Here are three simple reasons you should hire me.*

1. You need someone who reads and writes in perfect English

Far too many people have decided to award themselves the job title of "writer" without knowing the difference between a semicolon and a comma. Do you see any mangled English in my ad?

2. You need someone with experience writing articles online.

If your writer's last work published was a poem in his high school newspaper five years ago, he probably won't know how to structure a great article that pulls the reader in and keeps them interested until the very last sentence. I have published or ghostwritten almost 300 articles online, and the number grows daily.

3. You need someone who is passionate about their job.

Writing articles is long, hard work. If you're outsourcing the task, you know this already, and you probably either hate it or don't have the time to do it. You don't want your outsourcer to hate it, either. I'm passionate about creating unique, quality content, and that shows in the quality of my work.

If you need a little extra push, my articles are guaranteed to satisfy you, or I will rewrite them for free.

Contact me at ZabrinaWay@gmail.com for more information about my services and to obtain a quote, or visit my Warrior for Hire thread at <http://bit.ly/WarriorForHire> to check out my current rates and exclusive Warrior discount!

You're one step away from top-quality content with minimal effort. ***Bonus: mention that you found me in the Warrior Pages and receive an additional 5% off!***
